Pastor Adeboye's Decrees at RCCG Special Holy Ghost Service March 2025 (Joy Unspeakable)

- I hereby decree your dry bones shall live again
- I decree where your situation appears to be totally hopeless, you will get a surprise
- I decree, where there has been no way in your life, there will be a way.
- I decree, before the end of this month, God will bring water out of the rock for you.
- I decree in the name of my Father in Heaven, you will excel.
- The God I have, The God of Adeboye, will give you the BEST tonight.
- I decree in the name above every other name, your joy will overflow
- In the name above every other name, when they are talking about you in the future, you will be in a class of your own.

Declare these in your life, pray with them and see them manifesting in your life in Jesus Name.
