RCCG OPEN HEAVEN 29 AUGUST 2025 TODAY MESSAGE

Some years ago, a woman, who was married to a very wealthy man, was barren. She and her

husband sought a solution from everywhere and spent lots of money, but nothing changed. One day, one of her husband's relatives told her to stop wasting her time because some witches had taken her womb, and she could never bear a child.

She came to a Holy Ghost Service, and God spoke, "There is someone here; you have just been told that you have no womb. Don't worry because I will give you a set of twins." Not long after that, she became pregnant. At the hospital, a doctor examined her and said, "It looks like there is a child here."

She replied, "No, it's not one child; God promised to give me a set of twins." The doctor said, "You should be thanking God that there is even one." She went back for another test about three months later, and the doctor said,

"There are two babies here." When the time came for her to deliver, she was flown to one of the best hospitals abroad, and she requested a Caesarean Section. After bringing the babies out, the surgeon searched and could not find a womb inside the woman.

When she came around after the anaesthetics she was given wore off, the surgeon came to her and said, "I have performed more than 3,000 operations. This is the first time I am bringing a set of twins out of a woman who has no womb."

And Jesus looking upon them saith, With men it is impossible, but not with God: for with God all things are possible. Mark 10:27

Beloved, no matter what anybody has said about the negative situations that might exist in your life, your case is not hopeless. When men say that a case is hopeless, it is because they have not met the God who turns hopeless cases around. Elisabeth's barrenness seemed to be a hopeless case until God sent His angel to speak with her husband, Zechariah (Luke 1:5-25).

If the world has called you barren and labelled your situation hopeless, in the name that is above every other name, the Lord will visit you and change your story. If you have been weeping in sorrow, you will now weep for joy, in Jesus' name. Don't give up; put your trust firmly in God.

OPEN HEAVEN 29 AUGUST KEY POINT

No case is hopeless if you put your trust firmly in God.
