<sup>19</sup> God is not a man, that he should lie; neither the son of man, that he should repent: hath he said, and shall he not do it? or hath he spoken, and shall he not make it good?

<sup>20</sup> Behold, I have received commandment to bless: and he hath blessed; and I cannot reverse it.

## **RCCG OPEN HEAVEN 4 OCTOBER 2024 TODAY MESSAGE**

Today, I will continue my teaching on the various categories of prayer by looking at the second category: easy prayers. You pray easy prayers when you ask God for what He has already guaranteed in the Bible. For example, asking God for your daily bread is asking for something that He has already

guaranteed (Matthew 6:9-11). The shepherd does not eat grass; it is meant for the sheep. So, when you ask God for food as His sheep, it is an easy prayer that He will answer easily (Psalm 23).

Psalm 35:27 says that God has pleasure in your prosperity. Therefore, asking for wealth is an easy prayer. Years ago, when I asked God for money to build a small house in Mushin, Lagos, He said, "Don't ask for a house, I have decided to give you a city." So, when seven of us gathered in Ilorin to pray for a campground, one of us began to prophesy, "I have already provided the land, I will only show it to you." The land was already provided because He guaranteed it in His word (Psalm 2:8).

One of my children said, 'Give me' is the prayer of a child. When your son comes to ask you for food, he is just saying, "I am ready for the next ration," he is not bothered about the provision of the food. In the same vein, you should not be bothered about things that God has already promised you in the Scriptures. They are already provided for you, so all you need to do is ask, and you will get them at the right time.

There is no need to worry about money, food, or all those things that make you comfortable; God has already provided them (Matthew 6:25-34).

When you worry about the things that God has guaranteed, it shows that you have little faith. Before you came to this world, He had prepared everything you need to survive. Just ask for them when you need them. As you ask, pay attention to whatever instructions He will give you on how to get them. In 1 Kings 17:4-6, He told Elijah to go to the brook and food was brought to him there. If Elijah did not obey, he would have died of hunger even though food was available for him. Your well-being is God's responsibility; stop worrying about it.

## **KEY POINT**

Worrying about your daily needs is a sign of faithlessness. If God has guaranteed them in His word, just ask Him and He will provide them at the right time.
