TOPIC: FROM HEARING TO EXPERIENCING MIRACLES

MEMORISE

That which was from the beginning, which we have heard, which we have seen with our eyes, which we have looked upon, and our hands have handled, of the word of life:

1 John 1:1

READ: Mark 5:25-34

25 And a certain woman, which had an issue of blood twelve years,

26 And had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse,

27 When she had heard of Jesus, came in the press behind, and touched his garment.

28 For she said, If I may touch but his clothes, I shall be whole.

29 And straightway the fountain of her blood was dried up; and she felt in her body that she was healed of that plague.
30 And Jesus, immediately knowing in himself that virtue had gone out of him, turned him about in the press, and said, Who touched my clothes?
31 And his disciples said unto him, Thou seest the multitude thronging thee, and sayest thou, Who touched me?
32 And he looked round about to see her that had done this thing.
33 But the woman fearing and trembling, knowing what was done in her, came and fell down before him, and told him all the truth.
34 And he said unto her, Daughter, thy faith hath made thee whole; go in peace, and be whole of thy plague.

RCCG OPEN HEAVEN 22 MAY 2025 TODAY MESSAGE

There is nothing like being a testifier and experiencing testimonies personally. When you read of mighty miracles in the Bible or hear testimonies of the great things God has done for His people, you might not fully understand His 'Almightiness'. However, this will not be the case if you personally experience His supernatural intervention.

Before the spies came to Jericho in Joshua 2:1-23, Rahab had heard of the many mighty miracles of God. She hadn't seen any of those miracles. but she believed them and her faith eventually made her experience some of God's miracles. When you hear a testimony or read about something that God did in the Scriptures, let it build faith in you.

The faith built from the testimonies you hear can help you to also experience miracles, like the woman in today's Bible reading who was reported to have heard about Jesus (Mark 5:27).

I struggled to believe in divine healing and health when I first became born again. In those days, I was always down with malaria and I kept taking medications. One day, I saw an elderly man, whom I had always known to have a bent back, walking perfectly upright in church. I was eager to know what had happened to him, and while sharing his testimony, he said that he had gone to evangelise as usual when someone started insulting him in the neighbourhood. The fellow told him that if his God is so powerful, He would have healed him from his condition.

On hearing this, the man said that he got angry and stood straight. He said that even though his back was burning with pain, he stood straight because he couldn't stand hearing someone talk about his God in that manner.

On getting to his house, the pain disappeared completely. When I heard that testimony, my faith was stirred. and I knew that divine health was possible. I allowed Jesus to become my doctor, and by His grace, I have not had to take malaria medications ever since. I experienced a miracle because my faith increased when I heard someone else's testimony.

Beloved, if you have heard a testimony from someone about a kind of miracle that you are believing God for, let it build faith in you. God is no respecter of persons (Acts 10:34); if He has given someone a

miracle, He is willing and able to do the same for you. I pray that you will experience a mighty miracle from God today, in Jesus' name.

ACTION POINT

Meditate on testimonies concerning the things you are believing God for until they build faith in you.

RCCG HYMN 35: 'TIS SO SWEET TO TRUST IN JESUS

OPEN HEAVEN DEVOTIONAL 22 MAY 2025 COMMENTARY

Memorise: 1 John 1:1 (KJV)

This verse emphasizes **firsthand spiritual encounters**—the kind of experiences that transform abstract faith into tangible reality.

Bible Reading: Mark 5:25-34 (KJV)

The story of the woman with the issue of blood demonstrates how **hearing testimonies about Jesus (v.27) birthed faith that secured her miracle.**

Key Insights from Today's Open Heaven Devotional

1. The Transformative Power of Testimonies

- **Biblical Examples:**

1. *Rahab*: Heard about Israel's miracles (Joshua 2:10-11) ? Was saved (Joshua 6:25)
2. *The Bleeding Woman*: Heard about Jesus (Mark 5:27) ? Received healing
3. *The Author*: Witnessed a healing testimony ? Experienced divine health

- **Threefold Impact of Testimonies:**

1. *Revelation*: Reveals God's nature (Psalm 145:4)
2. *Faith Activation*: "Faith comes by hearing" (Romans 10:17)

3. *Hope Sustenance*: Encourages during waiting periods (Hebrews 10:23)

2. From Secondhand Faith to Firsthand Experience

3. **Community Effect**

- Shared stories build collective faith (Acts 4:32-33)

5. How to Maximize Testimonies
