OPEN HEAVEN 20 AUGUST 2025 TODAY DEVOTIONAL

TOPIC: YOU CAN BE FILLED WITH MORE III

MEMORISE:

Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me.
Psalms 42:7

READ: Acts 4:31-33

31 And when they had prayed, the place was shaken where they were assembled together; and they were all filled with the Holy Ghost, and they spake the word of God with boldness.

32 And the multitude of them that believed were of one heart and of one soul: neither said any of them that ought of the things which he possessed was his own; but they had all things common.

33 And with great power gave the apostles witness of the resurrection of the Lord Jesus: and great grace was upon them all.

RCCG OPEN HEAVEN 20 AUGUST 2025 TODAY MESSAGE

Today, I will conclude this series by discussing pressure. The pressure in tyres varies with the weights they are designed to support. For example, the pressure in the tyre of a bicycle differs from that of a car. Both tyres are filled with air, but more air is pumped into a car's tyre than into a bicycle's tyre. This is because the weight that the tyre of a car supports is more than what the tyre of a bicycle supports.

The tyres of an aeroplane are just about the same size as those of a large truck; however, the pressure inside them is different. This is because an aeroplane is much heavier, and when it lands, its tyres must be able to withstand its weight. If the air pressure in an aeroplane's tyre is lowered to that of a truck, the plane will crash as it lands.

How much you want to accomplish for God will determine how much of His anointing you will seek to be filled with. This is not about titles now, but about the real impact you want to have for God in the earth. The things a believer will accomplish for God are not dependent on church titles. Some bishops cannot deliver a small town from the devil's hands, whereas some believers without any title can turn an entire country upside down for God. When it comes to accomplishing great and mighty things in God's kingdom, what really matters is how much of the anointing a believer carries. God cannot perform mighty miracles or deliver communities and countries from powerful dark forces through believers who only carry low levels of the anointing.

Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. John 14:12

If you want to perform greater works as Jesus said, then you must be filled with the anointing to a very great degree. How much you want to accomplish in God's kingdom should determine how much of the anointing you seek to be filled with.

Beloved, seek to be full of the anointing so that you can cause mighty revivals in your fields of operation, community, nation, and all around the world, just like Jesus, who went about doing good with the anointing.

How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with him.
Acts 10:38

I pray that God will fill you with more of His anointing so you can influence the world with the gospel and take many territories for His kingdom. in Jesus' name

OPEN HEAVEN 20 AUGUST KEY POINT

Seek to be filled with greater measures of the anointing so you can do mightier things in God's kingdom.

BIBLE IN ONE YEAR

HYMN 20: STAND UP! STAND UP FOR JESUS

OPEN HEAVEN DEVOTIONAL 20 AUGUST 2025 COMMENTARY

MEMORISE: Psalms 42:7

“Deep calleth unto deep at the noise of thy waterspouts: all thy waves and thy billows are gone over me.”

This verse reveals **God’s pressure principle**—divine assignments require **corresponding spiritual depths** to sustain them.

BIBLE READING: Acts 4:31-33

This passage demonstrates **anointing under pressure**:

- 1. **v.31: Building pressure** (persecution intensifies prayer)
- 2. **v.33: Explosive results** (“great power” matched “great grace”)

The Physics of Spiritual Pressure

Daddy Adeboye’s analogy unveils **four kingdom laws of anointing capacity**:

1. The Tyre Principle

Vehicle Pressure (PSI)		Spiritual Equivalent
Bicycle	30-50 PSI	Personal salvation experience
Car	32-35 PSI	Local church ministry
Truck	50-80 PSI	Regional impact
Jet	200+ PSI	Global apostolic assignment

Key Insight:

Your “pressure level” determines **what weights you can carry** without bursting (Matthew 11:30).

2. Title vs. Anointing Contrast

- **Empty Titles:**
 - Bishops who can't deliver a village (Acts 19:13-16)
 - All form, no power (2 Timothy 3:5)
- **Untitled Powerhouses:**
 - Smith Wigglesworth (plumber turned apostle)
 - Evan Roberts (coal miner who ignited Welsh Revival)

3. Jesus' Pressure Model (Acts 10:38)

- **Divine Equation:**
Anointing ("Holy Ghost and power") + **Obedience** ("went about") = **Total Dominion** ("healing all")

4. The Greater Works Paradox (John 14:12)

- **Precondition:** "Because I go to My Father" (Pentecostal outpouring)
 - **Modern Fulfillment:**
 - Global digital evangelism (Revelation 14:6)
 - Mass deliverance crusades (Mark 16:17-18)
-

How to Increase Your Spiritual PSI

1. Calculate Your Kingdom Load

- **Ask:**
 - *Is my current anointing sufficient for my vision?*
 - *What "weight" is God calling me to carry? (Nation? Industry? Generation?)*

2. The Pressure-Increase Protocol

1. **Daily:**
 - 5 AM warfare prayer (Ephesians 6:12)
 - 30 mins prophetic declarations over your assignment
2. **Weekly:**
 - 24-hour fast for enlarged capacity
3. **Monthly:**
 - Spiritual "pressure test" (attempt something beyond your current ability)

3. Build a Jet-Level Prayer Life

- **Bicycle prayers:** "Bless me"

- **Jet prayers:** “Shake nations through me” (Acts 4:29-31)
 - **Upgrade Strategy:**
 - Replace 50% of personal petitions with **kingdom-sized requests**
-

Prayer for Apostolic Pressure

“Father, pump me full of Your pneumatic power! Where I’ve been riding spiritual bicycles, equip me for jet-propelled ministry. Let my inner pressure match the weights You’ve called me to carry, until cities tremble at Your glory through me, in Jesus’ name!”

Action Steps

1. **Conduct a Pressure Audit:**
 - List 3 areas where your current anointing feels inadequate
 - For each: Identify 1 Scripture to “inflate” your faith (e.g., Jeremiah 20:11)
 2. **Study Pressure Pioneers:**
 - Research lives of:
 - John G. Lake (healed entire cities)
 - Maria Woodworth-Etter (mass trances and miracles)
 3. **Create a “PSI Increase” Playlist:**
 - Worship songs that stir apostolic hunger (e.g., “Send Your Rain”)
-

Conclusion: Designed for Divine Loads

Daddy Adeboye’s life proves: **God never calls without enabling.**

*“Your spiritual pressure isn’t about stress—it’s about **capacity to carry glory**. The world isn’t waiting for another comfortable Christian, but for pressurized believers who’ll explode with kingdom power!”*
