TODAY LESSON

BIBLE PASSAGE: Nehemiah 2:1-8

¹ And it came to pass in the month of Nisan, in the twentieth year of King Artaxerxes, *when wine was before him*, that I took the wine and gave it to the king. Now I had never been sad in his presence before. ² Therefore the king said to me, “Why *is* your face sad, since you *are* not sick? This *is* nothing but sorrow of heart.” So I became dreadfully afraid,

³ and said to the king, “May the king live forever! Why should my face not be sad, when the city, the place of my fathers’ tombs, *lies waste*, and its gates are burned with fire?”

⁴ Then the king said to me, “What do you request?” So I prayed to the God of heaven.

⁵ And I said to the king, “If it pleases the king, and if your servant has found favor in your sight, I ask that you send me to Judah, to the city of my fathers’ tombs, that I may rebuild it.”

⁶ Then the king said to me (the queen also sitting beside him), “How long will your journey be? And when will you return?” So it pleased the king to send me; and I set him a time.

⁷ Furthermore I said to the king, “If it pleases the king, let letters be given to me for the governors *of the region* beyond the River, that they must permit me to pass through till I come to Judah,

⁸ and a letter to Asaph the keeper of the king’s forest, that he must give me timber to make beams for the gates of the citadel which *pertains* to the temple, for the city wall, and for the house that I will occupy.” And the king granted *them* to me according to the good hand of my God upon me.

MEMORY VERSE: Nehemiah 2:4 (NKJV)

“And I said to the king, “If it pleases the king, and if Your servant has found favour in your sight, I ask that you send me to Judah, to the city of my fathers’ tombs. that I may rebuild it.”

INTRODUCTION

National development is simply an approach that entails the process of progressive growth in a diverse and specified direction of a group of historically constituted, stable community of people.

The nation and its development is a major concern to God, hence, He works through an individual or group or people as building blocks for any nation to develop.

The quality of the people is indeed the quality of the nation

OUTLINES:

1. ???THE MAKING OF A NATION
2. ???STEPS TO NATION BUILDING

1. THE MAKING OF A NATION

A. God is mindful of nations and their development (Genesis 17:5-6)

B. His concern is such that He wants to make individuals become nations and at the same time influence nations even with His gospel (Mathew 40:19. Micah 4:1-2).

C. The making of a nation, therefore, entails some principles which include:

1. The principle of Indoctrination (Daniel 1:3-8): To indoctrinate simply means to introduce someone to a kind of attitude. This is a principle adopted by the Babylonian king in order to align her citizens into their thought patterns. By so doing, there is a continuation of what the nation stands and lives for (Nehemiah 8:8).

2. The Principle of rightful positioning Daniel 6:1-3: This simply entails positioning individuals who are knowledgeable and skilful in the various sectors or nation-building (Genesis 41:39-43).

3. The Principle of collective effort (Genesis 11:1-6): This principle focuses on joint efforts of people with a common outlook – in the direction of common growth and development. Everyone contributes positively in the right direction.

4. The Principle of preservation (Genesis 41:48): This focuses on resource management and distribution.

CLASS ACTIVITY 1:

Students should discuss their views on the current state of their nation.

2. STEPS TO NATION BUILDING

A. God's build-up in the life of an individual is always beyond that individual.

B. His aim, however, is to bring nations out of the person or give him/her power over nations (Genesis 17:5; Revelation 2:26).

C. We are very instrumental in the hands of God in the development of nations. This development entails us knowing that our identity is beyond the "Me syndrome" but that of a nation, and thus we are to have a mentality that is induced with nation development (1 Peter 2:9).

There are steps individuals and groups must take to aid national development.

These include:

1. Being born again: This put you at an advantage because of your oneness with God's thoughts and ways (1 Peter 1:23).

2. Allowing the word of God indoctrinate us (Romans 14:1)

3. Partnering with the Spirit of God in the finding and fulfilment of our purpose (Nehemiah 2:3-5).

4. Learning valuable skills in line with what you have discovered as your sphere influence (Daniel 1.5-4)

5. Being productive and getting involved in projects of national interest and recognition.

6. Being politically informed. Avoid being a political novice as politics control major decisions in every nation (Daniel 6:3)

7. Reaching out to people in our sphere with the reality of the gospel of Christ (Romans 1:10)

CLASS ACTIVITY 2:

Students should discuss the practical things they would do to effect positive changes in their nation.

CONCLUSION: RCCG YAYA Sunday School Teacher Manual 17 March 2024
