2 Timothy 3:1

INTRODUCTION

The translated word for "perilous" in Timothy 3:1 is 'chalepos', which means troublesome, dangerous, fierce, dreadful, etc. The term, last days, refers to the period between Christ's ascension into Heaven and His second coming. Perilous times constitute part of the last days. The last days is not just a prophecy. It started from the days of the Bible (1 John.2:18-19).

The importance of the prophecy and warning against the perilous times cannot be over-emphasised because we are living in the fulfilment of these perilous times. The purpose of this study is to carefully consider the writing of Paul to Timothy in Timothy 3:1-5 on the things that characterise the Perilous Times and the position every believer in Christ should take.
