LESSON INTRODUCTION

Generally, when there is a mention of the four-letter word "poor," a lack of money readily comes to mind, but being poor is beyond a lack in financial resources alone, because some people are so poor, the only thing they have is money. To be poor also means to be deficient in a specified way, to be inadequate, perform poorly, feel inferior, etc. In this lesson, we shall look at other forms of poverty and ways to develop a positive mindset against poverty.

LESSON OUTLINE 1: BEYOND MONEY

A. Apart from being poor monetarily, one can be poor in the following areas:

i. Health: Poor health is a great disadvantage in life and a high level of poverty (Job 2:7-8). It is the inability of an individual to function normally either physically or mentally (Psalm 6:2). This condition is often associated with pain (1 Timothy 5:23; Psalm 41:3).

ii. Speech: The incessant usage of foul language and words that do not edify. Jesus in Matthew 12:36-37 warns that we shall give account of every idle word on the day of judgement. Also, speaking spitefully to reduce others is a poor form of communication (Proverbs 12:18).

iii. Thoughts: Not using the mind effectively to generate noble thoughts and ideas to benefit and prosper oneself and humanity (Philippians 4:8). A combination of consistent wandering and evil thoughts also has a link with poverty (Romans 12:2; Mark 7:21-23).

iv. Social: Withdrawal syndrome, low self-worth (Numbers 13:33), low self-esteem, and loneliness (1 Kings 19:4, 10) are indicators of a poor social life.

v. Relationship: Not being able to manage and sustain a cordial rapport due to impatience, anger (Proverbs 22:24-25), suspicion, fear, doubt, complex, etc. Furthermore, the inability to sustain a relationship with God through consistent fellowship, study of His word, prayers, holy living, etc., is a pointer to a poor bond with our Maker (Acts 17:27).

vi. Intellect: This is a major mental issue that has to do with difficulties in reasoning, adaptable behaviours (Proverbs 12:15), problem-solving, etc. This can sometimes manifest through opposition to critical thinking or a noble change (Proverbs 23:23).

vii. Emotions: A poor emotional state is a delicate and serious matter that has to do with negative conditions. It manifests through frustration (Psalm 42:5), panic, anger (Proverbs 29:22), and gloominess.

viii. Spiritual: Any soul that is unsaved or lukewarm is poor (Mark 8:35-37; Luke 7:22b; Revelation 3:16-17).

CLASS ACTIVITY 1:

Students should discuss which form of poverty is most overlooked in the church today.

LESSON OUTLINE 2: CHANGE THE MINDSET

A. Poverty can be dealt with, but it must start with a positive mindset.

B. For instance, health is wealth, and you are what you eat. We must eat right and healthy, do exercises and get enough sleep and rest as when due (Proverbs 25:16; 1 Timothy 4:8).

C. Avoid corrupt communications, and talk less with wisdom (Ephesians 4:29; Proverbs 18:21).

D. We must guard our hearts and engage in positive thinking (Proverbs 4:23).

E. Be smart and associate with the right people (Proverbs 13:20).

F. Be flexible to positive changes, forgive easily and grow to forget (Ephesians 4:32; Matthew 6:14), live a life free from bitterness (Ephesians 4:31; Hebrews 12:15).

G. Stay free from financial poverty (Proverbs 10:4); be up on your game and use your ideas effectively (Proverbs 12:24), develop a positive attitude; let your fear begin to fear you (2 Timothy 1:7). Love God and your person. Be free.

CLASS ACTIVITY 2:

Students should share practical steps they will take to overcome any form of poverty in their lives.

CONCLUSION: RCCG YAYA Sunday School Students Manual 6 December 2026

God wants us to live life to its fullness; do not allow any kind of poverty to short-change you!
